

Says

What have we heard them say? What can we imagine them saying?

> "It looks like there might be some traffic up ahead, but i will do my best to get us there as quickly as possible."

"If you have a preferred route or any specific instructions, please inform me, and i will follow your preferences."

" If you're new to the area, feel free to ask for any recommendations or information about the city."

"Please fasten your seatbelt for your safety; it's important."

"I will do my best to provide a smooth and comfortable ride. If you have any feedback, please feel free to share it after the trip."

belongings in the car, don't worry; you can contact uber support to help you retrieve them."

Does

What behavior have we observed? What can we imagine them doing?

What are their wants, needs, hopes, and dreams? What other thoughts might influence their behavior?

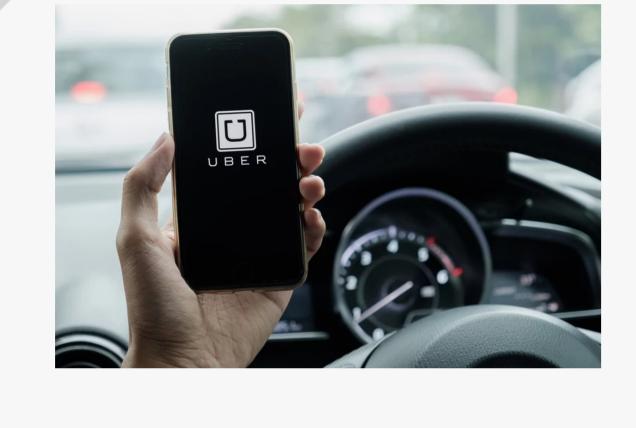

Uber drivers typically use navigation apps like google maps or waze to help them choose the best routes for their passengers.

Uber drivers receive pickup requests through the uber app.

Drivers may also take into consideration their knowledge of local roads, shortcuts, and any specific passenger preferences.

Uber drivers can select their own locations for where they want to drive.

UBER DRIVER

> Many drivers find satisfaction in providing a service, helping passengers reach their destinations, and earning money on their own terms.

rides, meeting passenger expectations, and ensuring safety can lead to strees.

Positive passengers interactions, good ratings, and favorable reviews can boost a driver's job satisfaction.

Some drivers enjoy the social aspect of meeting different people, while others may prefer a quieter, more solitary experience.
